

This cross-sectional view shows a multi-layered assembly. A top layer (20) contains a series of small circular features (34) and a larger rectangular feature (36). Below this is a layer (22) with a series of rectangular features (26, 30, 32). A bottom layer (28) is shown with a series of rectangular features (30, 32). A central cavity (38) is formed by a top wall (50) and a bottom wall (30, 32). A side wall (34) is also visible. The entire assembly is shown in a cross-sectional view with hatching indicating different materials or layers.
